ORDER

A partial trial was held at the Oklahoma City, Oklahoma Trial Session of the Court on May 14, 2013. This case is set for further trial at the February 29, 2016, Oklahoma City, Oklahoma Trial Session of the Court.

On January 22, 2016, petitioner filed a Motion for the Court to Pay the Expenses of a Transcript and specifically requested the transcript from the May 14, 2013, partial trial. The Court, on occasion, does pay the cost of a transcript for pro se taxpayers. However, it is not necessary in this case. Petitioner registered for the Court's electronic filing system, eAccess, which allows him to access the documents filed in his case and file documents electronically. On page 16 of the "Petitioners' Guide to Electronic Case Access and Filing", located on the Tax Court's website, it is noted that transcripts are not electronically viewable until one year after the proceeding. The partial trial was held in 2013 and, therefore, is now viewable electronically and petitioner can access it at any time.

Considering the foregoing, it is

ORDERED that petitioner's Motion for the Court to Pay the Expenses of a Transcript is moot.
